EDUCATIONS

G H Raisonni College of Engineering and Management Master In Computer Application (MCA) • Pursuing Master In Computer Application (MCA)	2025 - 2027 CGPA : 8.30
D.B. Science College Gondia Bachelor of Computer Applications (BCA) • Bachelor of Computer Applications (BCA), Percentage: 66.62 %	2022 - 2025 CGPA : 66.62 %
Shri Rajasthan English Junior school gondia Higher Secondary Certificate (HSC) • Higher Secondary Certificate (HSC), Percentage: 77.83%	2020 - 2022 CGPA : 77.83%
Shri Rajasthan English junior college of Science Gondia Secondary School Certificate (SSC) • Secondary School Certificate (SSC), Percentage: 80.40%	2019 - 2020 CGPA : 80.40%

PROJECTS

Digital Ration Distribution System • Developed a full-stack Digital Ration Distribution System using HTML, CSS, JavaScript, Node.js, Express.js, and MySQL. • Implemented OTP-based verification to securely authenticate beneficiaries before ration distribution. • Built RESTful APIs and performed CRUD operations for beneficiary and ration management. • Developed role-based authentication for administrators and ration shop operators. • Integrated a MySQL database for secure storage and efficient data management. • Designed a responsive user interface for seamless user experience. • Managed ration inventory and maintained digital distribution records. <i>Technologies / Tools Used : HTML, CSS, JavaScript, Node.js, Express.js, MySQL</i>
--

SKILLS

Databases :

Frameworks & Libra

Programming Languages : Java, JavaScript, Python

Soft Skills : Interpersonal Skills, Creativity, Analytical Thinking, Collaboration, Self-Motivation, Conflict Resolution, Presentation Skills, Active Listening, Organizational Skills, Continuous Learning

Tools & Platforms : Git, GitHub, Postman, VS Code

AWARDS & ACHIEVEMENTS

- Recognized for outstanding coding and problem-solving skills by securing **2nd Prize** in a competitive programming event.

CERTIFICATIONS

- Completed training in Artificial Intelligence fundamentals, including machine learning concepts, data analysis, and AI applications.
